

**VENETO**  
WALL-MOUNTED

**ARIETTA**

Veneto with its pyramid shaped angles and stainless steel finish makes a striking visual statement to any kitchen. Available in 30" or 36" widths, Veneto features High-tech LCD controls which manage multiple functions, including LED lighting, 3 speed blower, plus automatically turns on under high heat and even has a sensor that tells you when to clean your dishwasher-safe anodized aluminum mesh filters. Veneto features a telescopic chimney for up to 8' ceilings and also has an available extension for taller kitchens. Designed for standard ducted installation, Veneto can also be installed as a recirculating system using the Recirculating Kit, available as an accessory.
